Timeline Of The Jewish Genocide Of The British People

Posted on February 2, 2015 by cigpapers

JEWS CONTROL BRITAIN AND ARE COMMITTING GENOCIDE ON US.

Here's how it happened:

1066: In return for financial support William The Conqueror brought the jews to England with him. The jews soon acquired a reputation as extortionate moneylenders which made them extremely unpopular with both the Church and the general public.

1290: King Edward I finally expelled the jews from England. The jews swore their revenge.

Expulsion and relocation of jews during the Middle Ages.

1649: The jews financed Oliver Cromwell's otherthrowing and beheading of Stuart King Charles I after he refused them control of England's finances.

1655: The jews were readmitted to England by their puppet Oliver Cromwell.

1660: With the British People becoming sick of austerity under the jewish puppet Oliver Cromwell, Charles Stuart landed in Dover in May 1660 and was restored as King Charles II of England, Wales, Scotland and Ireland to wide popular acclaim. The jews planned their revenge.

1688: The jews ordered William III Prince of Orange (formerly a Dutch soldier called William Stadholder)to land in England at Torbay. Because of an ongoing *Campaign of L'Infamie* against King James II contrived by the jews, he abdicated and fled to France.

King William III of Orange

1694: William III of Orange (AKA William Stadholder) who the jews had installed as the King of England, asked the jews for financial help to keep the Stuarts at bay. Jews issued first bank notes on interest to William of Orange and first central bank had its beginnings – The Bank Of England was established.

1697: *London Stock Exchange* became the world's largest "purse." Twelve ruling seats were reserved for jews only.

1701: The Bank of England establish the Bevis Marks Synagogue in the City of London.

1714: The jews install King George I (AKA Georg Ludwig 1660-1727) from the House of Hanover as the British King. There were, and still are, allegations that the House of Hanover are secretly jewish.

1715: James Stuart (AKA The Old Pretender), son of King James II, invaded Scotland and attempted unsuccessfully to take back the British Crown from the jews.

1745: The Stuarts made their final attempt to take back Britain from the jews by invading England with an army made up of Scottish Highland Clans under Bonnie Prince Charlie (1720-1788) grandson of King James II. Finally defeated at the Battle of Culloden in 1746. Bonnie Prince Charlie went in to exile and the British Royal House of Stuart came to an end.

Bonnie Prince Charlie made one last attempt to free the British People from enslavement to the jews in 1745.

1750: The *House of the Red Shield* (Rothschild) was established and became prime money-lenders to the British Crown.

1753: King George II, a pawn of the Rothschilds and Amsterdam jewish bankers, passed a *Naturalization Bill* allowing jews to become British subjects.

1757: Following Clive of India's victory at Plassey The East India Company seized control of Bengal, India's richest province, and got seriously involved in the opium trade.They also tripled local taxes leading to the starvation of 10 million Indians.

1773: Warren Hastings brought all opium production under the monoply control of The Bank of England. Eventually 17 million Chinese died of drug addiction as 2000 chests of opium were exported every year.

1773: Mayer Rothschild created the World Revolutionary Movement and Red-Flag Socialism as the banksters' means of overthrowing National ruling elites (e.g. French and Russian Revolutions). Red-Flag socialism and the political groups that adhere to it have always been created and controlled by the Rothschilds. The red flag is the flag of the Rothschilds family – Rothschild means red shield.

1789: Mayer Rothschild organised the French Revolution, and mass murder of the French aristocracy, to seize control of the French economy by privatising the Bank Of France.

The French revolutionaries often used the red flag of the World Revolutionary Movement.

1803: The Bank Of France was privatised and a National Debt, to be paid off by income tax, was fraudulently established.

1808: Napoleon became master of Europe after seizing control of France back from the jews. He issued a decree which the jews termed the *Decret Infame* (*Infamous Decree*). The *Decret Infame* placed many justifiable restrictions on the jews. The jews planned their revenge.

Napoleon fought to free Europe from austerity through debt-enslavement to jewish central bankers.

1814 to 1815: James & Nathan Rothschild ordered all European rulers to assemble at the *Congress of Vienna*. The Rothschilds drafted a plan that would make it impossible for another Napoleon to rise to power by creating a European "balance of power." – this basically meant that if any European Nation revolted against jewish control all the jew controlled Nations would attack it.

1815: *The Battle of Waterloo* signified the end of Napoleon's heroic anti-jewish rule and the Christian domination of Europe. Both James Rothschild of France and Nathan Rothschild of England financed Wellington's victory over Napoleon at Waterloo.Nathan Rothschild used false information, about Napoleon winning Waterloo, to defraud the London Stock Exchange and seize control of Britain's economy.

1882: The East India Company funded the "Opium Trust".

1884: The Fabian Society was formed with jewish industrialist financing. A faux elite group, of pseudo-intellectuals and sexual deviants, who formed a semi-secret society for the purpose of bringing Red-Flag socialism (AKA jewish racial supremacy and Globalisation) to the World through the infiltration of Workers' Groups and Political Parties i.e. The Labour Party.

1890: The largest munitions factory in the world, *Vickers of England*, was established by the Rothschilds. The stage was set for the Rothschild's engineering of World War I and all future wars.

1906: Guglielmo Marconi's invention of the radio is marketed and taken over by the Jew, David Sarnoff. Sarnoff established the *Marconi Company* in England and *RCA* in America. Thus began the Jewish control of the World's media.

1910: Jews took over the office of *Minister of Finance* throughout Europe. Louis Klotz became *Minister of Finance* of France; Michael Luzzati of Italy; Bernhard Dernburg of Germany; Rufus Isaacs of England; and Djavid Bey of Turkey. All jews.

1914: *The Vickers Munitions Company*, owned by the Rothschilds, engineered World War I.

1916: Germany was winning World War One. The jews promised to obtain American support in exchange for Britain supporting Zionism. Prime Minister Lloyd George accepted the offer. Samuel Untermeyer blackmailed American President Wilson in to the USA joining World War One.

1917: Lord Balfour made formal Lloyd George's capitulation to Weizmann in a letter to Lord Rothschild known as *The Balfour Declaration*. The Zionist theft of Arab lands was made "official."

1917: The Rothschilds funded Lenin and Trotsky with $20 million (real names Vladimir Ilyich Ulyanov and Lev Bronshtein – both jews) via the Schiff banking family to otherthrow the Russian Tsar and murder him and his family by a Red-Flag revolution. The Rothschilds then privatised the Russian Central Bank and enslaved the Russian people to a jewish Red-Flag socialist elite. Russsia was the first Red-Flag jewish dictatorship and between 20 to 100 million White Christians were murdered in an orgy of executions, rape, torture and enslavement.

The flag of Communist Russia – there is a Satanic pentagram representing jews (ruling) above the industrial workers (hammer) and agricultural workers (sickle). In the background is the red flag of the Rothschilds.

1919: The jews insured Germany's humiliation with their *Treaty of Versailles*. The jew Bernard Baruch advised Wilson at the conference. The jew Phillip Sassoon, the *Parliamentary Private Secretary*, advised Lloyd George. The jew, Georges Mandel, (aka Louis Rothschild), French *Minister of the Interior*, advised Georges Clemenceau.

1922: Jew Richard Coudenhove-Kalergi founded the *Pan-European Movement* in Vienna with the purpose of creating a New World Order based on a federation of Nations led by the USA. Banker Max Warburg donated 60,000 Marks to set it up.

1925: Jew Richard Coudenhove-Kalergi wrote the book *Practical Idealism* which laid down the blueprint for a new Europe. In his book Kalergi indicated that the residents of a future Europe will not be White, but due to miscegenation, will be a mongrel race of Asian/White/Negroes to serve a jewish aristocracy. He also suggested the destruction of Individual Nation States to create a United States of Europe. There is still a Coudenhove-Kalergi Prize given out every two years to the European Politician who has done most to support this genocide.

1933: International jewry declared all out war on the German People and swear to destroy them after they threw off the shackles of jewish oppression.

After their surrender over 1 million German soldiers are murdered by the jewish allies including boys as young as 14.
